

Trust Agreement

This Trust Agreement dated _____, (the "Agreement"), is by and between _____, ("Trustor"), and _____, (name of owner or operator) _____, (name of corporate trustee or bank) incorporated in the State of _____ ("Trustee"), and the Administrator, Office of Spill Prevention and Response, Department of Fish and Game, State of California, the beneficiary of this Agreement (here in after referred to as the "Administrator").

1. Recitals

- 1.1. Whereas, the State of California has enacted the Lempert-Keene-Seastrand Oil Spill Prevention and Response Act (Government Code Section 8670.1, et seq.) (The "Act") and pursuant to Government Code Section 8670.4, the Governor of the State of California has appointed an Administrator for oil spill response.
- 1.2. Whereas, the Act requires that no person may operate a marine facility (as defined) unless the owner or operator has obtained a certificate of financial responsibility for the facility from the Administrator.
- 1.3. The Act also sets forth the requirement that certain levels of financial ability to pay for damages in the event of an oil spill be demonstrated. Financial responsibility may be demonstrated by evidence of insurance, surety bond, guaranty, letter of credit, qualifications as a self-insurer, or any combination thereof, or other evidence of financial responsibility.
- 1.4. Whereas, Regulations promulgated by the Administrator provide that Applicants utilizing surety bonds, guarantees, or letters of credit, to demonstrate evidence of financial responsibility shall establish a standby trust fund to provide assurance that funds will be available when needed to pay for cleanup and damages resulting from oil spilled or discharged into California marine waters. Under the terms of the surety bond, guaranty, or the letter of credit, all payments there under shall be deposited by the provider of financial assurance directly into the standby trust fund (the "Fund") in accordance with the Administrator's instructions (Title 14, California Code of Regulations, Subdivision 4, section 795 (c) (5), section 795 (d) (3), and Section 795 (e) (6)) (the "Regulations").
- 1.5. Whereas, Trustor, either directly or indirectly through various operating Subsidiaries, owns and/or operates marine facilities (as defined in the Act).
- 1.6. Whereas, Trustor has elected to establish a ☐ surety bond, ☐ letter of credit, or ☐ guaranty in a form acceptable to the Administrator, to provide all or part of such financial assurance for the marine facilities referred to here in and is required to establish a Fund able to accept payments from the instrument. The surety bond, letter of credit, or guaranty established by the Trustor provides that

it is a condition of such obligation that if Trustor shall pay or cause to be paid to claimants all sum or sums for which Trustor may be held legally liable under the Act, the obligation is void, otherwise it shall remain in full force and effect.

- 1.7. Whereas, the purpose of this Agreement is to establish the Fund as set forth by the Regulations for the receipt of payments made under the surety bond, letter of credit, or guaranty.
- 1.8. Whereas, the Trustor, acting through its duly authorized officers, has selected the Trustee to be the Trustee under this Agreement, and the Trustee is willing to act as Trustee.
- 1.9. In consideration of the mutual benefits to Trustor, Trustee, and the Administrator, the foregoing recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Trustor, Trustee and Administrator or agree as follows:
